HAYLE HALL UPDATE: We have now received the formal Quotes for this necessary work. As you are aware, it is a 'build to budget' project using funds specifically allocated for that building within our parish. The competitive Quotes have come in slightly higher than the architect anticipated, mainly due to the demolition & disposal costs which have risen since we started planning last year. Therefore, we have a shortfall of approximately £10K, and so, there are 2 ways forward:

1. To further reduce the size of the building to accommodate this shortfall, but obviously this is not the preferable option. **OR:**

2. To ask one final time, that if any parishioners who have not yet considered giving to this project, to now make an offer to achieve the shortfall.

This could be done in a couple of ways:

1 gift of approx £8k that was Gift-Aided would cover it; **OR,** Several gifts amounting to the same figure if Gift-Aided. If not Gift-Aided, we require £10K.

We obviously need a firm decision about this funding by the 12th March to prevent delay on the build, scheduled for after Easter this year.

A lot of work has gone on behind the scenes to get the new facilities this far – over to you now, to make it work. Thanks to those who have already given or pledged.

Do be aware that we would not have been able to do this work without the legacy from Mary and Tony Bowley, and some previous investments from the past. This illustrates how vulnerable things are. Do think about leaving a legacy to ensure a future for our churches.

Penitential/Reconciliation/Confessions. It is clear that many of you do not want to come out in the dark, so the evening slots for Confession will continue on Tuesday evenings during Lent, but on the Tuesday of Holy Week, 22nd Fr John Gilbert from Helston and I will be in church from 3.30 – 4.30 for you.

Smile Lines: Moses revisited. Nine year old Joey was asked by his mother what he had learned at Sunday school. "Well, Mum, our teacher told us how God sent Moses behind enemy lines on a rescue mission to lead the Israelites out of Egypt. When he got to the Red Sea, he had his engineers build a pontoon bridge and all the people walked across safely. Then he radioed headquarters for reinforcements. They sent bombers to blow up the bridge and all the Israelites were saved." "Did your teacher really say that?" asked his mother, somewhat alarmed. "Well, no, Mum. But if I told it the way the teacher did, you'd never believe it!"

Hard to find: Vicar's wife: I'd like to open a joint account. Bank Staff: With your husband? Vicar's wife: Heavens, no. With someone who has some money!
