Smile Lines: Rude parrot

A priest had been left a parrot in the Will of a member of his congregation, and soon regretted it; the bird was very rude to anyone in the congregation who called at the Presbytery. Finally, in exasperation the priest warned the parrot he would take drastic action if the did not behave. When the parrot reduced the next visitor to tears, the priest grabbed him and stuffed him into the fridge for five minutes while he apologised to the visitor, and saw her out. When he took the parrot out five minutes later, the bird was transformed. 'I am just so sorry. I was completely out of order. I promise I will never be rude to anyone again.' The priest was happily astonished and put the bird back in its cage. He was about to go back to work when the parrot coughed politely and ventured; 'Mind if I ask something? When I was in the fridge just now, I wondered; what had the chicken done?
