Smile Lines: All in the mind. A leader in the Christian Science church was talking to a member of his congregation: "And how is your husband today?" The reply came; "I'm afraid he's very ill." No, no corrected the leader, "You shouldn't say that – you should say that he's under the impression that he's very ill." The woman nodded in agreement, "Yes, I'll remember next time." A few weeks later the leader saw the woman again. "And how is your husband at the moment?" "Well", she replied, "now he's under the impression he's dead!"
