The series is produced by CaFE and the Bible Society and comprises a 15 minute weekly DVD clip with short daily Bible readings for prayer and reflection. Each Tuesday we will meet to share views and experiences, and prepare for the next session. Each participant requires their own Big Picture book which costs £10 (the book includes a DVD of the series). The course will be run in two sections of six weeks each with a break during the summer. All are invited to join in this exciting journey.

Smile Lines:

Right resting Place.

The new parish priest was a bit of an efficiency expert, whose obsession was to move around the hymnbooks, notice sheets, the magazines, the guides and most other portable things in the church, in search of the perfect place. From porch to display stand, to table in sacristy, to side chapel – round and round various things went week after week. After several months, a visitor approached a harassed minister of welcome before church one morning and asked if he could tell her where the copies of the church guides were kept. "No, I'm sorry," he said wearily. "But if you just stand here a while, I'm sure you'll see them go by!"

Carried: Two drunks were hoping to travel on the London Underground late at night when they reached the top of the escalator and saw the sign which decrees 'Dogs Must Be Carried.' "Botheration," one of them muttered in dismay, "where on earth can we find two dogs at this time of night?"

When I grow up: A small boy returned from Sunday School in floods of tears. When questioned by his mother about his distressed state, he sobbed: "Jesus wants me for a sunbeam, but I want to be a train driver!"
