**Sea Sunday 8/9 July:** Seafarers and fishers play a vital role in all of our lives, but they often work in difficult, hazardous conditions. In the past year, more crews have been abandoned by their employers than ever before. Many are still being denied the right to leave their ships for even a short break away from the relentless noise and pressure on board. Many are reporting more stress and mental health. Sea Sunday is when the Church prays for all those who live and work at sea. Your support will make a big difference to them. Usual retiring collection, or you can donate by visiting [www.stellamaris.org.uk/donate](http://www.stellamaris.org.uk/donate), or by texting 'SEA' to 70460

#### **An invitation to survivors of abuse**

The diocese would very much appreciate hearing from people who have a lived experience of abuse, so that we can involve them in the work we are doing to support survivors. We would welcome the opportunity to hear survivors' feedback and ideas so that we can improve our response to those who have been hurt by abuse. If you think you might be able to help us in this work, or if you would like to find out more about what we are doing in the diocese to support survivors, please contact: Sophie Scagell (Survivor Support Caseworker) on 01364 645436 / [sophie.scagell@prcdtr.org.uk](mailto:sophie.scagell@prcdtr.org.uk)

**SPUC Pro-Life News:** "Will you help funding for forced abortions in China?" Apparently millions of pounds of British taxpayers money is sent overseas to fund nations with tyrannical coercive abortion policies. SPUC wants a world where abortion is unthinkable and is raising awareness of the widespread problem of abortion coercion. The petition calls for the Prime Minister to end the Governments unacceptable funding of China's totalitarian state. Despite ending its infamous One Child Policy, forced abortions and sterilisations still occur in China -esp. among the Uyghur minority. Our Government sent over £60 million 2020-21 Sign the petition this weekend. Leaflets and sign forms out today, and you can do it online.

#### **CAFOD & Seeds and the World Bank.**

The world is facing a food crisis. Climate Change, Covid19, and the war in Ukraine and elsewhere mean that millions of people do not have enough food. Even here we are feeling the impact of this. CAFOD works with small farmers around the world who produce lots of the world's food.

But many of them are facing a huge problem.

For hundreds of years they have freely used and shared their own seeds, but laws are being passed that limit what they are allowed to do with their own seeds, giving them little choice but to buy more expensive seeds from large companies. These laws make it even harder for small farmers and their families to produce enough food. Salina is a small farmer from Bangladesh and she told CAFOD "to keep the seeds in our own hands is the main thing. With out seeds, being a farmer is not possible."

Small farmers are doing important work protecting God's creation and ensuring that seeds are used to feed us all.

In Genesis, God says, "See, I have given you every plant yielding seed that is upon the earth, and every tree with seed as its fruit; you shall have them for food." That is why Salina is writing a letter to the World Bank, which has a lot of influence over agricultural issues, asking them to protect the rights of small farmers to use and share their own seeds.

Next weekend please sign Salina's letter. By this we can send a strong message to the World Bank that the Catholic Community stands with small-scale farmers.
