**COVID-19 Route Map Step 4 Guidance:** Life is still very uncertain, **Cornwall remains high on the list**, so we continue to **PROCEED WITH CAUTION**. Out of respect for each other, we will continue to wear face coverings and the designated seating to enable our safety. This will be essential as we phase back in our singing. Wearing masks for congregational singing isn't the most comfortable thing, but will help to control the spread of aerosols projected by this activity. **Care must be taken to ensure everyone is, and feels, safe.**

**HANDS – FACE – SPACE.** A little relaxation maybe, but do be aware of the feelings of others.

**North Aisle Phase 2 Project:** *'How we can all help now to bring this exciting project to completion.'* A booklet with all details is available to take away and consider, and share. If you didn't receive a copy do ask, as indeed in our other churches, do ask for a copy. It is on our website too. **Thanks already to generosity the Angelus bell and the 12 pews are already fully donated.**

**CAFOD Harvest Family Fast Day is was Friday 1<sup>st</sup> October.** Share a planet friendly meal in support of Cafod's Climate Crisis Appeal. By making a donation and eating a simple meal in solidarity with people like Ivanilde we can show that the Catholic Community are ready to step up and act as guardians of creation. Ivanilde lives in the Amazon, protecting the small area of rainforest she calls home. She's faced fires and threats – but with the support of local experts, she has never given up ***"I am happy that my work here helps protect the Amazon. Through nature we survive."*** Cafod's local experts are helping people all over the world to adapt to climate change and protect our common home. By donating to this Family Fast Day you can help communities affected by the worst impacts of the climate crisis. **Make sure of your envelope to fill in and return today or a.s.a.p.**
