Mary's Meals – Double the Love

From 1 November 2022 to 31 January 2023, donations made to Mary's Meals will be doubled by a group of generous supporters, up to £1.5million. Today, we face some of our greatest challenges yet in a world devastated by conflict, food insecurity and the cost of living crisis, which we know is affecting people here in the UK as well as in the countries where we work. With Double the Love, your donation will be matched and your kindness will go even further – meaning we can reach even more desperately hungry children with a life-changing school meal. There are many ways to get involved, find out more at marysmeals.org.uk

CAFOD THANKS: Note from Simon Giarchi

In Ukraine, winter is very harsh and conditions are worsening because of Russian strikes to key infrastructure like power plants and water treatment centres. From the first days of the conflict CAFOD has responded quickly through the Caritas network and our other church partners, Depaul and Jesuit Refugee Services. We are responding in Ukraine but also in neighbouring countries where people have fled, such as Romania. We are providing life-saving services to the newly displaced and the most vulnerable in the war-affected population in east and south Ukraine. **'In his days justice shall flourish and peace till the moon fails.'** *Psalm 71:7* Thank you for your support for our campaigning work this year too, through which the Church here tackles the causes of poverty at national and global levels. During this first year of our *Fix the Food System* campaign many parishes here in the diocese and nationally campaigned and ran events to raise awareness about the ways our current food system is failing and how different it could be. Our work on the climate crisis and its impact on some of the world's most vulnerable communities continues. It is vital the government and the powerful hear the voice of the Catholic community here on these urgent issues.
