**Caritas Social Action network: Homes for Ukraine**

**Matching service: CSA,** in partnership with St John of God Hospitaller Services, an international Catholic charity with many services for the vulnerable in the UK and Ireland, have launched a service to bring together Ukrainian people displaced by the brutal war in their country with people in the Catholic community willing to host them in their homes for six months. Once a match is confirmed the Ukrainian guest can apply for their visa. We know that coping with the cost- of- living crisis will be the main concern for many people this winter, but if you have room in your home and in your heart to consider welcoming a stranger displaced by war, then we'd love to hear from you. *(final report into Child Sexual abuse).* Canon Paul writes:

It is important for us to again offer an unreserved apology to all those who have been hurt by abuse in the Catholic Church in England and Wales and to reaffirm our commitment to the continued refinement and improvement of our safeguarding work to protect all children and the vulnerable. Please keep all those engaged in this work in your prayers, but above all, those who have suffered abuse in their lives. Hard copies of the letter are available, and it is on our website.
