World Mission Sunday: Pope Francis writes: 'Here am I send me.' (Is; 6:8) In this year marked by the suffering and challenges created by the Coronavirus pandemic, the missionary journey of the whole Church continues in light of the words found in the calling of the prophet Isaiah. This is the ever new response to the Lord's question 'Whom shall I send?' This invitation from God's merciful heart challenges both the Church and humanity as a whole in the current crisis. Like the disciples in the gospel we are caught off guard by an unexpected, turbulent storm. We have realised that we are in the same boat, all of us fragile and disoriented, but at the same time important and needed, all of us called to row together, each of us in need of comforting the other. on this boat...are all of us. Just like those disciples, who spoke anxiously with one voice, saying 'we are perishing,' so we too have realised that we cannot go on thinking of ourselves, but only together can we do this. We are indeed frightened, disoriented and afraid. Pain and death make us experience our human frailty, but at the same time remind us of our deep desire for life and liberation from evil. In this context, the call to mission, the invitation to step out of ourselves for love of God and neighbour presents itself as an opportunity for sharing, service and intercessory prayer. The mission that God entrusts to each one of us leads us from fear and introspection to a renewed realisation that we find ourselves precisely when we give ourselves to others. The celebration of World Mission Day is also an occasion for reaffirming how prayer, reflection and material help of offerings are many opportunities to participate actively in the mission of Jesus in his Church. The charity expressed in the collections today is aimed at supporting the missionary work carried out by the Pontifical Mission Societies, in order to meet the spiritual and material needs of peoples and Churches throughout the world, for the salvation of all.

Retiring Collection after Masses next weekend

Rosary Whirlwind British Isles – October 2020 for Faith, Life & Peace

Nations around the world are hosting their great Rosary Crusades and we join them, especially Ireland in a great union of prayer. Once again Catholics across England, Wales, Scotland and the Isles are invited to take up their rosaries for an intensive Rosary Whirlwind Mission for the spiritual well-being of the British Isles and for its preservation from degeneration, disaster, sickness and war. Daily we are witnessing increasing levels of violence, rebellion and lawlessness. The Church is under great attack, the faith is being undermined, the sanctity of life is not honoured and peace is lacking everywhere. The covid-19 global pandemic threatens a second wave – people are fearful of what the future may hold. More than ever we need to intercede for our Isles and for the conversion to Christ of our peoples and that they be protected from all danger, from all sickness and from all evil. Our refuges are the Sacred Heart of Jesus and the Immaculate Heart of Mary with the mantle of protection of St. Michael & the Angels, St. Joseph, and our Saints & Martyrs. Daily recitation of the Rosary on line from the following sites at 8pm each evening throughout October.

Sunday – Paisley Scotland Monday- Newport Wales

Tuesday – Basilica Walsingham

Wednesday – Plymouth Cathedral (7th,14th,21st,28th)

Thursday – Canning Town London Friday -London Rosary Shrine Saturday – Carfin Grotto Scotland

Links to each of these sites are available on the Walsingham web page www.walsingham.org.uk

On the 31st October this event will finish with a continuous Rosary recitation across the British Isles from 9am – 9pm.

The Plymouth Diocese slot is 11.30am and will be led by Bishop Mark. Further full information will be available on the Walsingham web page. On the 13th October throughout the British Isles individual Parish Groups are encouraged within Covid restrictions to recite the Rosary at a time and place of their choosing. This commitment can be registered on the Rosary on the Coast web page where each participating group will be indicated on the National Map. www.rosaryonthecoast.co.uk

Help stop DIY abortions

During the Coronavirus pandemic unborn babies and their mothers have been at even greater risk of abortion. The Government's "pills through the post", brought in as Covid measure, means that over 23,000 women in England and Wales aborted their baby at home during lockdown. Please help us to spread the truth about DIY abortion and save women and babies from the tragedy of abortion

Sign the petition to save the right to save lives

Pro-abortion MPs in Parliament want to stop pregnant women getting help outside abortion clinics by calling for buffer zones. SPUC is campaigning to save the right for peaceful pro-life vigils to take place. Hundreds of children are alive today in this country because their mother met a loving pro-life person just before they walked into the abortion clinic. We must protect this vital work. Please sign our petition to save the right to save lives. It only takes a minute of your time, but it could mean a lifetime for an unborn baby. You can sign the petition here: <https://spuc.org.uk/SaveTheRightToSaveLives>
