The more we embrace the Cross the more we become one with JESUS.

Hats/Scarves/Gloves

Last day for bringing them in for Carol to take to the Passage is the weekend 9/10 October. Still keep on knitting, as they are always needed.

ST IVES: September Festival 11th – 25th. Jam-packed with Music, Art, Sunsets and Smiles.

COVID-19 Route Map Step 4 Guidance: Life is still very uncertain, **Cornwall remains high on the list**, so we continue to **PROCEED WITH CAUTION**. Out of respect for each other, we will continue to wear face coverings and the designated seating to enable our safety. This will be essential as we phase back in our singing. Wearing masks for congregational singing isn't the most comfortable thing, but will help to control the spread of aerosols projected by this activity. **Care must be taken to ensure everyone is, and feels, safe.**

HANDS – FACE – SPACE. A little relaxation maybe, but do be aware of the feelings of others.

Recommended Key Mitigating Actions against Virus transmission in Churches which should continue for the time being:

1. **Sanitising hands on entry**
2. **Ensuring people wear face coverings properly**
3. **Ventilation where ever possible**
4. **Good routine cleaning after Mass**
5. **Track and trace record**

We hope our sacramental programmes for First Reconciliation and Holy Communion: Confirmation and RCIA we hope to begin after half-term. Please let us have names and contact details of anyone, child or adult wishing to explore any of the above. Email or phone as on top of newsletter.

North Aisle Phase 2 Project: Recently the launch of **'How we can all help now to bring this exciting project to completion.'** A booklet with all details is available to take away and consider, and share. If you didn't receive a copy do ask, as indeed in our other churches, do ask for a copy. It is on our website too.

Share a planet friendly meal in support of Cafod's Climate Crisis Appeal. By making a donation and eating a simple meal in solidarity with people like Ivanilde we can show that the Catholic Community are ready to step up and act as guardians of creation. Ivanilde lives in the Amazon, protecting the small area of rainforest she calls home. She's faced fires and threats – but with the support of local experts, she has never given up ***"I am happy that my work here helps protect the Amazon. Through nature we survive."*** Cafod's local experts are helping people all over the world to adapt to climate change and protect our common home. By donating to this Family Fast Day you can help communities affected by the worst impacts of the climate crisis.

Event Organised by Caritas Plymouth – Autumn 2021 Saturday 9 October 10.00-15.00 – World Day of the Poor, St Rita's Honiton – an opportunity to come together to explore Pope Francis' exhortation to 'take a different approach to poverty' and reflect on integral human development.
