Historic Day in St Ives. It was a great joy and pleasure to welcome to our Mass last Sunday

The President of the United States of America, Joe Biden and his wife Dr Jill Biden, It was a strong affirmation of faith that The President with his very busy G7 Schedule made time for Mass. The President spoke to some parishioners after and with myself. He said he was glad to be present, and enjoyed his time in Cornwall, as well as having many serious matters to discuss during the Conference, which we all hope will come to fruition. We know from reporters afterwards he thought the church beautiful. Lovely memories for all of us there, and those who saw us on the media.

Day for Life: This Saturday/Sunday: Caring for the sick and dying; the respect owed to life. The day presents an opportunity to pray for the gift of life from conception to natural death, and to raise awareness of the precious gift of life. The fragility of life and the reality of death has been brought into sharp focus during the Covid pandemic. Yet in the face of such suffering and death, we have also witnessed the extraordinary dedication of healthcare professionals and their loving care for the sick and dying. We too have each made sacrifices for the greater good during this pandemic. These acts of heroic love are a powerful testimony to the fundamental dignity of the human person and to the respect owed to each life, particularly through proper care and love in the last moments of life. Against this backdrop of loving care, we are now faced with a very real threat of the legislation of 'assisted suicide' in our country. 'Day for life' adds authenticity to our witness to the dignity of life. **The retiring collection assists organisations who raise awareness and engage in parliamentary work & pastoral outreach.**

SPUC/Right to life ask us to ask our MP to sign a Parliamentary motion to stop 'DIY' abortion

Carla Lockhart MP has launched a parliamentary motion calling on the Government to end 'DIY' home abortion. It is therefore vital that as many MPs as possible sign Carla Lockhart's motion to send a clear message to the Government that they must end dangerous 'DIY' home abortion services as soon as possible.

Right to Life UK has launched an easy-to-use tool which makes it simple for you to send an email to your MP asking them to sign the motion. Please click the link below to contact your MP now. It only takes 30 seconds!

Copies of 'What's wrong with DIY at-home abortion?' & 'What's wrong with assisted suicide?' just ask, or you can get from www.spuc.org.uk

New Priest/Deacons: Pray for Andrew Marlborough, to be ordained to the Diaconate at St Joseph, Branksome this Saturday 19th June and Deacon Albert Lawes who will be ordained to the Priesthood at the Cathedral on Friday 25th June. (You no doubt will have seen Albert as Deacon and cantor in all recent Masses from our Cathedral)

Pray too for Brother Andrew Prickett OSB who was ordained to the Diaconate at Buckfast Abbey on 11 June.

Plymouth Diocesan Catechetical camps:

The St Petroc's Camp, for school years 10-12, are going to have a residential camp at St Rita's Centre in Honiton.

The Senior Camp, as well as a virtual week in August, is planning a short Camp during the autumn half term hopefully at Grangehurst House, Buckfast Abbey. There will be more details of this, and all the activities, in due course. **The Junior Camp** will be running a week of streamed sessions each morning and afternoon.

Young Christian Climate Network: Anyone may join in the Climate Network relay walk to COP26! It is organised by Young Christians from around the UK, but all ages are welcome. Two of our parishioners started off the walk on Monday 14th June, just after the G7 finished, walking the first leg from Carbis Bay to Camborne.

"We walked along some of the spectacular coastal path and then cut inland through some paths through gorgeous countryside which we never knew existed, carrying a light banner with 'Relay COP26' on it. An expanding experience on so many levels, meeting great people and seeing bits of our county we'd not seen before with time to contemplate, meditate, chat, pray or sing (or not) if you felt like it! We thoroughly recommend it, and if you look at the website you can join in too; or let contacts further up the country know about it. A walk as an act of solidarity and faith believing that no country should be pushed further into debt due to climate change.

The CAFOD G7 Interfaith event 'Building a Better World after the Pandemic' held at Truro Cathedral on Thursday (10th June) was well attended and included speakers from several different faiths and denominations, including our own Bishop Mark as well as vulnerable indigenous people (via the internet) and a local young Christian student.

Fr Augusto Zampini-Davies, adjunct secretary of the Vatican's Dicastery for Promoting Integral Human Development, talked about the Vatican's hope that the G7 countries will use their power responsibly to:

1. Enable all countries to access a COVID vaccine
2. Cancel third world debt
3. Urgently implement the Paris agreement in order to tackle climate change.

Bishop Mark spoke eloquently about the earth as our common home and the importance of fraternity, as set out in Pope Francis' encyclical "Fratelli Tutti". Speakers of all denominations and faiths, reiterated the importance of working together as a global community to tackle the causes of social and ecological injustice.

The evening's proceedings were recorded live and can be viewed via the CAFOD website using this link: <https://cafod.org.uk/News/Events/G7-interfaith-event-Truro>
