Mary's Meals hits new heights for kids helped.

Great news: Mary's Meals announced that it is now providing 1,257,278 of the world's poorest children with a nutritious daily school meal, thanks to the continued

generosity of supporters from around the world, including some in our parish & school. Well done, may it continue.

This Weekend is the World Day of Prayer for Vocations. Please continue prayers for vocations to the priesthood, diaconate and religious life. The theme is 'It's Your Call.' Pope Francis reminds us "we are not victims of chance or swept up in a series of unconnected events, on the contrary, our life and our presence in this world are the fruit of a divine vocation." The Diocesan Seminarians fund is always looking for donations. Gift Aid envelopes are available, which you can use not only for gift aid.

175th Window Project: You can see pictures from the factory of work in progress making the windows. One of them has about 900 pieces of glass. Do look, and notice the donation Thermometer, which needs to go on getting warmer. All donations however large or small accepted.

The Importance of Silence. Pope Francis has used his weekly audiences recently to teach about the Mass. Twice he spoke about silence. "When we go to Mass we often arrive a few minutes early, and 'start to chit-chat with those in front of us', but preparing for Mass should not be wasted with idle chatter – rather it should be elevated with a moment of silence, a time for the heart to orient itself for 'our encounter with Jesus'".
