Pax Christi Prayer for Peace:

God of love show us our place in this world as channels of your love for all the creatures of this earth, for not one of them is forgotten in your sight. Enlighten those who possess power and money, that they may love the common good, advance the weak, and care for the world. The poor and the earth are crying out. O Lord, seize us with your power and light, help us to protect all life, to prepare for a better future, for the coming of your kingdom of peace, love and beauty, through Christ our Lord.

(I have kept this in for another week, and keep it for use during the year, as ominous rumblings of war reverberate)

White Flower Appeal: Thanks for your support last weekend. SPUC are currently campaigning to protect Pro-Life speech. Pro-life witness is being restricted now more than ever: we must be able to speak freely to protect life issues. There are cards ready to send off to Government, please use them.

Rise Theatre are starting their travels around the diocese. Unfortunately, we had to postpone the event in Weymouth but our next event will be in Plymouth. Anyone from across the diocese may attend any of the Rise Theatre events. The plan is to reach, Newquay in February and Exeter and Torquay in March. Don't forget to encourage any young adults (18+) to join the young adults group. In December the Torquay group met for Christmas dinner. There are online groups encouraging all across the diocese to join in prayer meetings including a weekly rosary group. Youth Events is not only aimed at the young people active in the church, it aims to reach out to those linked to our parish communities

Young people 11-17, if you have not had the chance to contribute towards the synodal process, you can join together and discuss points. Log on to youth@prcdtr.org.uk to get the zoom log in.

The Zoom will be this Monday 24th January 7.00 – 8.00.

COVID-19 Route Map Step 4 Guidance: Wisely at the moment we continue cautiously. The Guideline for churches says that **Masks/ Face coverings are still encouraged (unless medically exempt)**. There is very strong evidence that the main mode of this variants viral transmission is through aerosol, and that risk from surface and touch transmission is very small indeed. **Care must be taken to ensure everyone is, & feels, safe. During singing face coverings MUST be worn by the congregation. This applies also when talking to others. Keep your distance. HANDS–FACE–SPACE. :**
