Diocesan Synodal Journey. The final synthesis and appendices now been submitted to the CBCEW. Thank you to everyone who has contributed to this amazing journey. All the documents are on our website [Synod | Diocese of Plymouth \(plymouth-diocese.org.uk\)](http://Synod | Diocese of Plymouth (plymouth-diocese.org.uk)).

Thank you to everyone for your support and encouragement and honest and open reflections on this first phase of our listening journey.

The final report has a foreword from Bishop Mark which sets out some initial next steps whilst the discernment phase continues at national level. There are also some links in the diocesan newsletter for those who would like to continue to keep up to date with the global synodal journey as it progresses.

(As the report and the appendices are both 16 pages each I will only print off copies for those who ask for them. There is still so much waste paper work in this age! Do ask if you would like copies. The 1 sheet newsletter I will print a few copies, but I noticed the last one was virtually untouched!)

COVID-19 Route Map Step 4 Guidance: Wisely we continue cautiously to get back to 'normal.' The Virus is still very much alive and active in our area, so please still keep in mind **HANDS-FACE-SPACE**
The Guideline for churches say that **Masks/ Face coverings are encouraged**. If you are kneeling please do make sure that you are not breathing down anyone's neck.
