**Care of Creation: 1 September – 4<sup>th</sup> October** is a time to share messages of hope about care for our Common Home. A time to celebrate God's Creation. Include a moment of silence to listen to the song of creation

This period offers to individual believers and to the community a precious opportunity to renew our personal participation in this vocation as custodians of creation, raising to God our thanks for the marvellous works that He has entrusted to our care, invoking his help for the protection of creation and his mercy for the sins committed against the world, our common home.
