“We cannot but speak about what we have seen and heard.” (Acts 4: 20) World Mission Sunday is being celebrated in every Catholic Parish around the world. It supports missionaries who work alongside communities that are poor in need, regardless of their background or belief. By supporting Missio, the Pope’s charity for world mission, you will help missionaries like Sister Veronica build peace in Nigeria and share the love of Christ with those most in need. Please pray for the mission of the Church throughout the world and give what you can to this very important collection which will sustain the future of our Church.

Gift Aid envelopes are available, as is the latest magazine. See also mission.org.uk

A prayer for Peace between people of all faiths.

Father of all goodness, mercy and love. You call people of all Faiths to live and work together for the coming of your kingdom on earth. Makes us instruments of your peace, and cultivate in us the fertile seed of your healing love. Create in us the spirit of understanding, acceptance and respect for one another, irrespective of our differences. Stir within our hearts a renewed sense of reverence for all life. Gives us the vision to recognise your spirit in every human being, and help us to break the cycle of violence by realising that peace begets with me. Amen.

COP26: As a Catholic community we have been given a very clear steer from Pope Francis about the importance of caring for our common home. In his 2015 encyclical **Laudato Si’**, His Holiness made it clear that ‘to harm the environment was to harm human beings.’ Furthermore, it asks us the key question, ‘What kind of world do we want to leave to those who come after us, to children now growing up?’ The conference follows from a series of summits including the Paris 2015 talks where countries pledged to work together to keep the global temperature rise below 1.5c. If we exceed this threshold, millions of the most vulnerable people in our communities at home and abroad will be at risk of the devastating effects of climate change. In this respect, Pope Francis also makes the link that our current environments crisis represents a sociological crisis as well, with the effects of climate change disproportionately affecting the world’s poorest communities. Please pray that the leaders work together for positive outcomes for people and the planet.

A prayer for the COP26 Climate talks.

Loving God, we praise your name with all you have created. You are present in the whole universe, and the smallest of creatures. We acknowledge the responsibilities you have placed upon us as stewards of your creation. May the Holy Spirit inspire all political leaders at COP26 as they seek to embrace the changes needed to foster a more sustainable society. Instil in them the courage and gentleness to implement fairer solutions for the poorest and most vulnerable, and commit their nations to the care of Our Common Home. We ask this through Our Lord Jesus Christ your Son.

COVID-19 Route Map Step 4 Guidance: Life continues very uncertain, **Cornwall remains high on the list**, so we continue to **PROCEED WITH CAUTION**. Out of respect for each other, we will continue to wear face coverings and the designated seating to enable our safely. This will be essential as we phase back in our singing. Wearing masks for congregational singing isn’t the most comfortable thing, but will help to control the spread of aerosols projected by this activity. **Care must be taken to ensure everyone is, and feels, safe.**

HANDS – FACE – SPACE. A little relaxation maybe, but do be aware of the feelings of others.

For a Synodal Church: Communion, Participation, Mission –The Synodal journey is concerned with how teaching can be lived and applied in the changing contexts of our time. This journey is an opportunity to listen to each other and the Holy Spirit and to reflect on our future path. We want everyone to have an opportunity to express their views. Resources will be provided by the Diocese to parishes, schools and groups to support this listening and discernment process.

Everyone is also warmly invited to attend one of our initial introductory online events to explain the Synodal journey in more detail and how we plan to go forward in our Diocese.

Prayer for the Synod:

We stand before You Holy Spirit, as we gather together in Your name. With You alone to guide us, make Yourself at home in our hearts; teach us the way we must go and how we are to pursue it. We are weak and sinful; do not let us promote disorder. Do not let ignorance lead us down the wrong path nor partiality influence our actions. Let us find in You our unity so that we may journey together to eternal life and not stray from the way of truth and what is right.

All this we ask of You, who are at work in every place and time in the communion of the Father and the Son forever and ever. Amen.

Following Jesus, The Light of the world. Fr David has written a meditation on the Mysteries of Light using our new 2018 window. Copies are available and on our web.
