Pope Francis inaugurates a World Day of Prayer for Grandparents and the Elderly. This year it is the weekend 24/25 July, linked to St Joachim & St Anne, grandparents of Jesus. The Catholic Grandparents Association have no agenda they simply want the best for their grandchildren. They want them to be good decent human beings, to know the difference between right and wrong, able to make good moral decisions, and if they go astray along the way, to be able to find their way back to a loving family. www.catholicgrandparentsassociation.org

Fr Matt Blake will give a virtual and non-residential retreat from Kensington from Monday 26 to Friday 30 July. He will give two talks in the Church each day, which will be live-streamed and also available live and recorded on YouTube. This will allow anyone to create their own retreat by watching remotely. The talks can be found by <http://www.carmelitechurch.org> or searching for Kensington Carmelite Church on Youtube. Fr Matt's talks at 10am & repeated at 8pm

A God Who Speaks Through Creation

This on-line event was attended by around 50 people from our Diocese. In his talk, Bishop Mark O'Toole spoke about promoting reflection and discussion regarding the Diocesan Environmental Policy. He said that whatever the Church does in response to the climate crisis, she is seeking to draw people closer to God. He urged us to first pray and study Scripture in order to both deepen our encounter with the Lord, before embarking on the right action. Sister Margaret Atkins spoke eloquently about our response to creation affecting how we read Scripture. She urged us to contemplate the beauty and wonder of God's earth and to draw on spiritual strength through faith and prayer, so that we may work together as a Church community to help tackle climate change. Sr. Margaret has recently written a CTS booklet entitled "Catholics and our Common Home", an insightful and encouraging read.

COVID-19 Route Map Step 4 Guidance: 12 pages awaited my return, which will take some time to digest, and as we know or should be aware, life is still very uncertain. **Proceed with caution.** The main principle is that each parish should consider the prevailing local conditions, and with many visitors expected we should remain very much as we have been for the past few months. Many have expressed to me 'please keep us safe.' Indeed, so care has to be taken to ensure everyone is and feels, safe, so please may we continue with

HANDS – FACE – SPACE. A little relaxation maybe but do be aware of the feelings of others.

Recommended Key Mitigating Actions against Virus transmission in Churches which should continue for the time being:

1. Sanitising hands on entry
2. Ensuring people wear face coverings properly
3. Ventilation where ever possible
4. Good routine cleaning after Mass
5. Track and trace record

Let us see how local conditions go on in the next few weeks.

North Aisle Building Works: It was great coming back to realise the work is progressing so well, as you can see. The roof is on. The latest big change in the church, covered by the plastic on the left, north side, is that after 178 years the temporary infill walls to the arches have gone! All now between us and the new build is the plastic sheeting, and thin boards. Obviously there will be some dust over the next few months, it also means that the weekday Masses there may be some noise from the builders. We cannot and must not stop the work, so Watch and Pray will be suspended until work is finished.

Cleaners: It would be great to have a few more cleaners on the rota or additional name to add to our teams, as fine dust gets everywhere. Offers of help please to Fr. P.

Prayer for the First World Day for Grandparents and the Elderly.

I thank you, Lord, for the comfort of Your presence:

Even in times of loneliness, You are my hope and my confidence. You have been my rock and my fortress since my youth!

I thank You for having given me a family and for having blessed me with a long life. I thank You for moments of joy and difficulty, for the dreams that have already come true in my life and for those that are still ahead of me.

I thank you for this time of renewed fruitfulness to which You call me.

Increase, O Lord, my faith, make me a channel of your peace, teach me to embrace those who suffer more than me, to never stop dreaming and to tell of your wonders to new generations. Protect and guide Pope Francis and the Church, that the light of the Gospel might reach the ends of the earth.

Send Your Spirit, O Lord, to renew the world, that the storm of the pandemic might be calmed, the poor consoled and wars ended.

Sustain me in my weakness and help me to live life to the full in each moment You give me, in the certainty that you are with me every day, even until the end of the age. Amen
