If anyone would like us to take any petitions do let us know; in writing, which we can leave at Our Lady's shrine. Drop through Presbytery letter box or bring into churches

The Bible Time-Line Course.

Understand the Bible from start to finish, the Old and New Testament, with this **FREE OF CHARGE**, worldwide-famous course delivered online LIVE by Mauro Iannicelli. Starts **Wed 29th September 2021**. Eight Wednesday sessions (7pm-8:40pm).

Info & Registration: www.comeandsee.org

COVID-19 Route Map Step 4 Guidance: Life is still very uncertain, **Cornwall remains high on the list**, so we continue to **PROCEED WITH CAUTION**. Out of respect for each other, we will continue to wear face coverings and the designated seating to enable our safety. This will be essential as we phase back in our singing. Wearing masks for congregational singing isn't the most comfortable thing, but will help to control the spread of aerosols projected by this activity. **Care must be taken to ensure everyone is, and feels, safe.**

HANDS – FACE – SPACE. A little relaxation maybe, but do be aware of the feelings of others.

We hope our sacramental programmes for First Reconciliation and Holy Communion: Confirmation and RCIA we hope to begin after half-term. Please let us have names and contact details of anyone, child or adult wishing to explore any of the above. Email or phone as on top of newsletter.

North Aisle Phase 2 Project: 'How we can all help now to bring this exciting project to completion.' A booklet with all details is available to take away and consider, and share. If you didn't receive a copy do ask, as indeed in our other churches, do ask for a copy. It is on our website too. **Thanks already to generosity the Angelus bell and the 12 pews are already fully donated.**

COP26: see this leaflet asking us to sign a petition urging leaders to make sure communities hardest hit by the climate emergency are listed to at COP26 Sign at: cafod.org.uk/reclaim.

CAFOD Harvest Family Fast Day is next Friday 1st October. Share a planet friendly meal in support of Cafod's Climate Crisis Appeal. By making a donation and eating a simple meal in solidarity with people like Ivanilde we can show that the Catholic Community are ready to step up and act as guardians of creation. Ivanilde lives in the Amazon, protecting the small area of rainforest she calls home. She's faced fires and threats – but with the support of local experts, she has never given up **"I am happy that my work here helps protect the Amazon. Through nature we survive."** Cafod's local experts are helping people all over the world to adapt to climate change and protect our common home. By donating to this Family Fast Day you can help communities affected by the worst impacts of the climate crisis. **Make sure of your envelope today to fill in and return next weekend.**

Christmas Bazaar: many of you have been asking if we can have a Bazaar. We have only just heard that we will be able to hire **St John's Hall for 20th November**. If we are to make a firm booking we need to know how much support from stall holders and other helpers. Please let us know if you are able to help. We shall have a Grand Draw, so will be looking for good prizes

Hats/Scarves/Gloves

Last day for bringing them in for Carol to take to the Passage is the weekend 9/10 October. Still keep on knitting, as they are always needed

Mission Made Possible.

Do you want to be able to share your faith with others but don't know where to start? Do you find it difficult to talk about with your nearest and dearest? Are you afraid you might be asked difficult questions and won't have all the answers? Mission Made Possible will help you with all these things and there are sessions starting near you very soon. To register or for more information please contact a member of the team. Pippa.worth@prcdtr.org.uk Joe.harrison@prcdtr.org.uk Julia.beacroft@prcdtr.org.uk Michele.thompson@prcdtr.org.uk

Youth Alpha: young people explore an exciting new way to explore your faith openly and honestly through Exeter's first online (Zoom) Youth Alpha course. It consists of 9 weeks of gatherings **beginning this Tuesday 28th September 7.15 to 9 p.m.** and continues weekly after that. We shall allow for the half term break and will skip that week.

Youth Alpha will feed into the preparation for Confirmation so please register if interested in Confirmation. To sign follow the link and register your interest. Erik Renz Exeter-youth-worker@prcdtr.org.uk

Virtual London Marathon

A member of the choir is entered for this event on Sunday October 3rd and is inviting sponsorship. Originally tasked with fundraising for the Angelus bell, donations will now go towards the general fund for the new build. The link is <https://givealittle.co/campaigns/8c2dea7e-4f9e-49df-8a1b-94aa701138a8> for anyone with the patience of Job. If the link is not on the church website browsing on 'Give a little Penzance Angelus bell' should offer several links including one that matches the above.

Great Recycling News. You will be glad to know that things that we used to be able to recycle before Covid, can now happen again. The **School** can now receive again all their recycling things, like bread wrappers, other wrappings; old toothpaste tubes. More details next week. **The Recycling for Good Causes** box is back in Pz church **Jewellery**, unwanted gold & silver, costume jewellery, watches, including damaged items. **Coins & Currency:** Bank notes & coins, any currency age/unchangeable. **Mobile phones**, Camera's : video, digital, old film ones; Sat Navs, Game consoles, Ipods, MP3 players Tablet computers. **Stamps. Any of the above can be brought to any of our churches and we will deal with them.**

Assisted Suicide: The Catholic Church remains opposed to any form of assisted suicide. It is a crime against human life. Visit the CBCEW website for a briefing paper. Pray that the Bill on its 2nd reading on 15 October will be defeated.

Catholic Truth Society (CTS) write to say we can resume using their rack/stands for leaflets. Public Health England (PHE) have indicated that the 'touch transmission' of covid is very low.
