SPUC/Right to life ask us to ask our MP to sign a Parliamentary motion to stop 'DIY' abortion

Carla Lockhart MP has launched a parliamentary motion calling on the Government to end 'DIY' home abortion.

It is therefore vital that as many MPs as possible sign Carla Lockhart's motion to send a clear message to the Government that they must end dangerous 'DIY' home abortion services as soon as possible.

Right to Life UK has launched an easy-to-use tool which makes it simple for you to send an email to your MP asking them to sign the motion. Please click the link below to contact your MP now. It only takes 30 seconds!

www.righttolife.org.uk/DIYmotion

Copies of 'What's wrong with DIY at-home abortion?' & 'What's wrong with assisted suicide?' just ask, or you can get from www.spuc.org.uk

You could also arrange/join a Mass lobby of our MP on Friday 16th or Saturday 17th July, at our MP's constituency office on one of these days. (sorry I won't be around then)

The two main issues are the D-I-Y abortion policy and the Assisted suicide bill.

Plymouth Diocesan Catechetical camps:

The St Petroc's Camp, for school years 10-12, are going to have a residential camp at St Rita's Centre in Honiton.

The Senior Camp, as well as a virtual week in August, is planning a short Camp during the autumn half term hopefully at Grangehurst House, Buckfast Abbey. There will be more details of this, and all the activities, in due course. **The Junior Camp** will be running a week of streamed sessions each morning and afternoon.

Holiday Time: Summer Reading

Penzance parishioner Teresa Hunter has published her latest novel **Take A Thousand Cuts**, a page-turning thriller, covering topics explored at the recent G7 meeting - such as global greed, financial collapse and human rights abuses in Hong Kong and China. It starts and ends in West Cornwall. Teresa is donating the profits from any copies sold through the parish to parish funds. The paperback costs £9.99. For more information email Teresa.Hunter@btinternet.com or call 01736 761158.

Young Christian Climate Network: Anyone may join in the Climate Network relay walk to COP26! It is organised by Young Christians from around the UK, but all ages are welcome. Two of our parishioners started off the walk on Monday 14th June, just after the G7 finished, walking the first leg from Carbis Bay to Camborne.

" We walked along some of the spectacular coastal path and then cut inland through some paths through gorgeous countryside which we never knew existed, carrying a light banner with 'Relay COP26' on it. An expanding experience on so many levels, meeting great people and seeing bits of our county we'd not seen before with time to contemplate, meditate, chat, pray or sing (or not) if you felt like it! We thoroughly recommend it, and if you look at the website you can join in too; or let contacts further up the country know about it. A walk as an act of solidarity and faith believing that no country should be pushed further into debt due to climate change. relay@yccn.uk or michael10hooper@gmail.com

The Guest Speaker is Sister Margaret Atkins OSA, a Canoness of St Augustine in the community at Boarbank Hall, Cumbria. She is a lecturer and author in theology with special interest in the ethics of the environment. Covid: is still rife, and especially here in West Cornwall so we need to remain ever vigilant, and the Covid restrictions in place to keep as clear as possible of infection. **HANDS – FACE- SPACE** In Hayle and Penzance we have made some more places available for more visitors. Please do be aware of **SPACE:** make sure there is safe distance all round you, so that you are not breathing down someone else's neck. The more people who are vaccinated the more protection we all have.

Beware: Fake Covid Vaccine Passport scam. Do not be taken in by these fake scams or any other scams. Any that ask you for money or bank details are scam. Do make doubly sure about bank details or money.

Cornwall Citizen Advice newsletter says 69%of people in the South West have been targeted by a scammer, and one of the biggest is delivery scams.

Shock: no doubt you were as shocked as I was hearing about the vast amount of waste of **new electrical** and other goods just destroyed by a well-known international company. The Sacristans all know I don't even like to waste a match! My parents couldn't bear waste, and nor can I. We all pay for it one way or another.

Newsletter in July, from next weekend. With still some lockdown, and the Virus widespread in our area, still no meetings or happenings other than Masses, with holidays etc. it is simpler to have one newsletter for most of the month. This will give all public Masses for the next three weeks. The covers will change each week, so you will still have the readings and the useful front page, but the inside will be in the main the same. This means Mass intentions if not received by this Friday, 2nd July names will not be able to be printed. The Masses should still be offered for the intention though.
